

# How to Create Flashbulb Flashcards

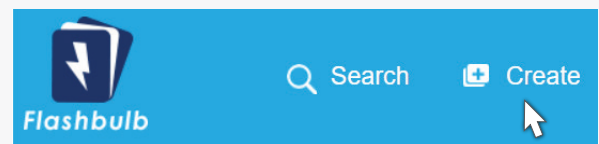

## Step 1

From the homepage, choose Flashbulb flashcards.

## Step 2

Choose "Create" on the banner then click "Create New Flashbulb".

**Settings** | Data | Slides

TIP: Make it easier to search for your flashcards by including identifying school/institution, course number, instructor, etc.

Stack Name:

Description:

Category:

Prevent other users from modifying data

Generate random fill-in-the-blank clues for activities

## Step 3

Add a name and description for your flashcard set. Then choose the category. Finally click "Save Changes".

## Step 4

Click on the data tab to add your questions and answers. Use tab to add more fields. Click Save Changes.

| Question  | Answer    |
|---|-----------|
| The modern form of political society that combines centralized government     | Non-state |
| A lengthy story or poem recounting the great deeds and adventures of a people | Saga      |
|   |           |
|   |           |
|   |           |
|   |           |
|   |           |

## Step 5

Your flashcards are now created! You can study and play games.
